

NFBPWC PROPOSED BYLAW AMENDMENTS

Current Wording	Proposed Wording
Article VII Dues – Section 2 National Federation membership dues shall be twenty dollars (\$20) per member, payable within the first three (3) months of the calendar year.	Strike “shall be twenty dollars (\$20) per member” and insert the word “is” So that Article VII Dues Section 2 will now read “National Federation membership dues is payable within the first three (3) months of the calendar year.”

Rational – move the actual amount of dues to the Appendix so that it is easier to change the amount of dues.

Current Wording	Proposed Wording
Article XIII Executive Committee Section 1 The elected or appointed officers of The National Federation shall constitute the Executive Committee.	Insert “and Immediate Past National President and Young BPW Chair”. So that Article XIII Section 1 will now read “The elected or appointed officers of The National Federation, the Immediate Past National President and the Young BPW Chair shall constitute the Executive Committee.”

Rational – the Immediate Past National President has been serving on the Executive Committee. This will correct an oversight. Also, it will add the Young BPW Chair to the EC to broaden our perspective.

Current Wording	Proposed Wording
Article XIV Board of Directors Section 1 – The Board of Directors shall consist of the Officers, the Immediate Past NFBPWC-USA President, the presidents of the State Federations and Affiliate Chapter/clubs, the Chairs Membership, Leadership and Learning, Finance, Public Relations, International Relations, Bylaws/Resolutions, Health, Small Business, Environment, Mentoring and Small Business.	Strike the words “Immediate Past NFBPWC-USA President” and insert “Past National Presidents”. Also insert “Rapid Response and Young BPW” So that Article XIV Section 1 will now read “The Board of Directors shall consist of the Officers, Past National Presidents, the presidents of the State Federations and Affiliate Chapter/clubs, the Chairs of Membership, Leadership and Learning, Finance, Public Relations, International Relations, Bylaws/Resolutions, Health, Small Business, Environment, Mentoring, Rapid Response and Young BPW”.

Rational – This will make it consistent with the International Constitution and State Federation Bylaws. This will also establish the Rapid Response Chair and Young BPW as a Standing Chairs with voting rights
