Agenda

9:15 AM (MDT)

- Introductions and Updates (Please keep it to 2 minutes per person of news or best practices)
 - Nancy Werner, 2nd VP Advocacy and UN – Pennsylvania Affiliate President – Really enjoyed the conference and still has a lot more to learn.
 - Titilola Adisa, Chair of Mentoring Committee – Implementation plan was sent to the Executive Committee for approval. For NFBPWC to be attractive to the local affiliates there should be some projects that we can focus on so that members are connected to national. Once you are a BPW member you are part of national and international. Some people don't belong to the international body and that is not what BPW is...
 - Megan Shellman, 1st VP of Membership – BPW Colorado

9:35 AM (MDT)

- Topic for discussion will be "How do we find and recruit potential members?"
 - Titi – focus on programs and projects that local affiliates are planning. We could publicize the local club programs nationally. So that we can see that there is a national and international platform.
 - Nancy – they do a lot of contests and mix in contestants for these different awards. She will share the list of these awards with us. Talking one on one is how we will recruit new members.
